

Faansie Basson Clinic

Lead Me On in Olympia Washington is pleased to host a 2 day clinic for Faansie Basson.

Faansie has been the South African National Champion 5 times as well as being awarded South African Dog of the Year 7 times. He and his dogs have won the Brace National Championship 8 times. Last year Faansie flew out from South Africa and popped off the plane with his dogs to place 2nd and 3rd at the esteemed Soldier Hollow Classic in Utah. He then went on to place 5th out of 124 teams at the extremely difficult Meeker Classic in Colorado. While on the trip Faansie was one of 4 judges for the 2009 USBCHA National Finals. We are excited to have Faansie coming out at the end of August.
